January 2015

Educational Parents Meeting

We had Mrs. Luz Dary Restrepo from the Feminist center "**Lifting Latina Voices Initiative**" who gave a workshop on teenage sexuality for parents in our monthly meeting, which was well attended. The parents were so concerned that when the event finished, they continued asking questions to Mrs. Restrepo. The workshop was definitely a success!

Good luck, Jeniffer

Jeniffer Manon Ruiz, our DR3AM´RS Case Manager, has been promoted and she is now the Director for the Alcohol Prevention Project at CETPA. Thanks for your great work in the clubhouse, Jeniffer, and good luck in your new projects.
